

Event Title:	AYURVEDA DAY CELEBRATION 2026
Event Category (Workshop/Guest Lecture /Seminar/Educational Visit etc.):	Guest lecture (Ayurveda For a Healthier Tomorrow)
About Event (Minimum 200 Words):	<i>Beehive Ayurveda Medical College & Hospital celebrated the 11th Ayurveda Day with the theme “Ayurveda for a Healthier Tomorrow” through various academic, cultural and public-awareness activities.</i> <i>Free medical camps were organized at Jamnupur on September 17 and 19, 2026, providing Ayurvedic medical consultation and health guidance to the public. On September 22, 2026, students enthusiastically participated in poster-making Competition and rangoli.</i> <i>The main celebration was held on September 23, 2026, commencing with Havan and lamp lighting. Mr. Amit Joshi, Director, Beehive Group of Colleges, graced the occasion as the distinguished guest. Vaidya Megha Bahuguna, the keynote expert speaker, delivered an insightful lecture on the relevance of Ayurveda in modern healthcare. Expert lectures were also delivered by Dr. Mohammad Khalid, Dr. Aditya Bisht and Dr. Ragini Joshi.</i> <i>The event was attended by Mr. Ankur Sharma, Assistant Director; Dr. Kuldeep, Administrative Officer; Dr. Vijay Shankar Jadhav, Registrar; and Dr. Neha Pundir, Vice Principal, along with senior professors and faculty members. The programme was coordinated by the Department of Panchakarma.</i> <i>Students presented a skit highlighting the importance of healthy diet, lifestyle and daily routine, followed by a Food Fest featuring traditional and nutritious dishes. Winners of Poster competition were felicitated with Certificates by Mr. Amit Joshi. The celebration reflected the institution’s commitment to Ayurvedic education, public service and quality healthcare.</i>
Aim of the Event (Min 5 Points):	<i>1.To promote awareness about Ayurveda</i> <i>2.To highlight the relevance of Ayurveda in modern healthcare</i> <i>3. To provide free Ayurvedic healthcare services</i> <i>4.To encourage students’ participation and creativity</i> <i>5.To promote healthy diet, lifestyle and daily routine</i> <i>Aim to develop bonding and participation of students in a group to achieve a goal .</i>
